Tropical Animal Health and Production

Volume 21 (1989) Number 1

CONTENTS

Effects of endoparasites on the growth rate of Sudanese sheep and cattle
Hamid S. Abdalla 3

Notes on the routine intravenous use of isometamidium in the control of bovine trypanosomiasis on the Kenya coast
M. E. Dowler, D. Schillinger and R. J. Connor 4

Book Review 10

Development of a prophylactic regime using long-acting tetracycline for the control of redwater and heartwater in susceptible cattle moved into an endemic area
R. E. Purnell, T. D. Gunter and J. Schroder 11

Populations of the cattle tick (*Boophilus microplus*) on purebred Nellore, Ibage and Nellore × European crossbreds in the Brazilian savanna
A. Gomes, M. R. Honer, M. A. M. Schenk and J. B. E. Curvo 20

Book Review 24

Reproductive performance of three fat-tailed breeds of sheep mated to native, Corriedale and Targhee rams
A. Farid, M. Makarechian and N. Sefidbakht 25

Cassava root meal in diets for growing rabbits
M. A. H. Radwan, G. G. Partridge, S. J. Allan and R. A. Fordyce 32

Growth of Mashona cattle on range in Zimbabwe. I. Environmental influences on liveweight and weight gain
H. P. R. Tawonezvi 37

Book Review 42

Detection of antibody to *Mycoplasma* F38 in goat sera by an enzyme-linked immunosorbent assay
H. M. Wamwayi, J. S. Wafula, J. K. Litamoi and E. N. Nandokha 43

CTVM Courses 49

Rapid detection of bovid herpes virus 1 antigens by counter immunoelectrophoresis and agar-gel immunodiffusion
R. G. Ireri, P. K. Mirangi and N. Mbugua 50

Serological evidence of Ife virus infection in Nigerian indigenous domestic ruminants
G. O. Ezeifeka, J. U. Umoh, C. D. Ezeokoli and N. E. Gomwalk 55

Some accepted titles awaiting publication 57

Prevalence of serum antibodies to bluetongue virus in indigenous goats in Zimbabwe revealed by a blocking enzyme-linked immunosorbent assay
P. H. Jørgensen, R. W. Halliwell and N. Honhold 58

An epidemiological model of rinderpest. I. Description of the model
A. D. James and P. B. Rossiter 59

An epidemiological model of rinderpest. II. Simulations of the behaviour of rinderpest virus in populations
P. B. Rossiter and A. D. James 69

Evidence of Kimberley virus infection of cattle in China
Jiang Chunling and Yan Junduan 85

A new serovar of *Pasteurella haemolytica* from sheep in Syria
M. Younan and J. Wallmann 87

CTVM Conference 1989 88

VOL. 21 (1989) NO 2

Surveillance and monitoring programmes in the control of rinderpest: a review
P. B. Rossiter and H. M. Wamwayi 89

Protection of goats against Caribbean and African heartwater isolates by the Ball 3 heartwater vaccine
C. C. Brown, L. L. Logan, C. A. Mebus and K. Nagorski 100

CTVM Courses 106

Immune response of chicks vaccinated with fowl pox virus vaccines by the feather follicle method
D. K. Sarma and S. N. Sharma 107

Book Review 108

Management and productivity of small ruminants in the North West Province of Cameroon
K. J. N. Ndamukong, M. M. H. Sewell and M. F. Asanji 109

Type and productivity of indigenous cattle in central Ethiopia
E. Mukasa-Mugerwa, Ephraim Bekele and Taddese Tessema 120

Condition scoring scheme for Small East African goats in Zimbabwe
N. Honhold, H. Petit and R. W. Halliwell 121

Book Review 128

Transmission of *Theileria parva bovis* (Boleni strain) to cattle resistant to the brown ear tick *Rhipicephalus appendiculatus* (Neumann)
B. H. Fivaz, R. A. I. Norval and J. A. Lawrence 129

Bovine trypanosomiasis in southern Tanzania: investigation into the incidence of infection and duration of chemoprophylaxis
R. J. Connor, D. J. A. Mukangi and R. W. Halliwell 135

Comparison between Sri Lankan and Australian strains of *Babesia bovis* in the vaccination of imported cattle in Sri Lanka
D. J. Weilgama, W. K. Jorgensen, R. J. Dalgliesh, M. Navaratne and C. Weerasinghe 141

Some accepted titles awaiting publication 145

Contagious caprine pleuropneumonia: some observations in a field vaccination trial using inactivated *Mycoplasma* strain F38
J. K. Litamoi, F. K. Lijodi and E. Nandokha 146

Prevalence of bovine tuberculosis among trade cattle in Southern Nigeria
S. N. Wekhe and N. A. Berepubo 151

VOL. 21 (1989) NO 3

Development of foot-and-mouth disease virus strain characterisation—a review
R. P. Kitching, N. J. Knowles, A. R. Samuel and A. I. Donaldson 153

Book Review 166

Prevalence of antibodies in goats in north-eastern Brazil to selected viral and bacterial agents
C. C. Brown, H. J. Olander, A. E. Castro and D. E. Behymer 167

Book Review 169

Growth of Mashona cattle on range in Zimbabwe. II. Estimates of genetic parameters and predicted response to selection
H. P. R. Tawonezvi 170

CTVM Courses 174

Development of smallholder dairy units in Malaysia
W. E. Wan Hassan, R. H. Phipps and E. Owen 175

Sheep productivity in the Ethiopian Highlands on a diet supplemented with urea-mollasses block and/or noug cake
E. Kabaija, N. Akalework and R. A. Leng 183

Disease and mortality in small ruminants in the North West Province of Cameroon
K. J. N. Ndamukong, M. M. H. Sewell and M. F. Asanji 191

An abattoir survey of the prevalence of gastro-intestinal helminths and *Stephanurus dentatus* in pigs in Belize
Jane C. Gibbens, N. P. Gibbens and W. J. Fielding 197

Some accepted titles awaiting publication 204

ELISA test for the serodiagnosis of Akabane virus infection in cattle
Hanna Ungar-Waron, Anita Gluckman and Ze'ev Trainin 205

Experimental treatment of *Brucella melitensis* infection in sheep with oxytetracycline alone or combined with streptomycin
Ahmed I. Radwan, Samir M. Hafez, Abdel Karim Al-Aska, Mohammad J. Al-Yamani, Saad I. Bekairi, Mohammad Al-Jalaifi and Abdullah A. Al-Mukayel 211

Book Review 216

VOL. 21 (1989) NO 4

Effect of treatment of chronic theileriosis with buparvaquone on milk yields
Samir Afram Michael, Abdel Hai El Refaii, N. McHardy and D. G. Rae 218

Efficacy of RM110, a novel trypanocide, in the treatment of *Trypanosoma evansi* infections in camels
D. Zelleke, B. Kassa and S. Abebe 223

Some accepted titles awaiting publication 226

Bovine *Babesia bigemina* seroreactors in Jamaica
B. McGinnis, G. Grant, M. Hugh-Jones and G. Wagner 227

***Corynebacterium pseudotuberculosis* infection in camels (*Camelus dromedarius*) in Saudi Arabia**
Ahmed I. Radwan, Sobhy El-Magawry, Azmi Hawari, Saad I. Al-Bekairi and Rodrigo M. Rebleza 229

New media for the isolation of *Dermatophilus congolensis*
S. N. Wekhe 231

CTVM Courses 232

Coagglutination test: a simple and rapid diagnostic technique for goat pox
R. K. Joshi, Rajesh Chandra, V. D. P. Rao and S. K. Garg 233

Book Review 236

Occurrence of caprine arthritis-encephalitis in Mozambique
C. Lopes Pereira, C. Baule, R. Costa and A. Langa 237

Trypanosome infection rate of *Glossina morsitans submorsitans* in Bahr El Arab, South Darfur Province, Sudan
M. M. Mohamed-Ahmed, A. I. Ahmed and A. Ishag 239

Gastro-intestinal helminths of camels in Nigeria
I. O. Onyali and C. O. E. Onwuliri 245

Influence of regular tick and helminth control on productivity of small ruminants in the Lolgorien area, Narok district, Kenya
S. Muenstermann and N. R. Tome 247

Non-conventional indigenous mineral supplements used for cattle feeding in the pastoral rangelands of Ethiopia
E. Kabaija 256

Infertility and disease surveillance using a milk recording scheme in the Sahiwal district of Pakistan
C. H. Pedersen 263

Reduced work output of well-fed buffaloes pulling carts on the Terai in East Nepal
R. Anne Pearson 273

Book Review 276

Photosensitisation: a note of caution in the use of *Brachiaria* pastures—a review
R. Baber 277

Growth pattern of desi (indigenous) and crossbred chicks under rural scavenging conditions
M. H. Sazzad, S. M. H. Mamotazul and M. U. Asaduzzaman 280

Book Review 281

Subject Index 282

Author Index 283
